

# WHISTLE DOWN THE WIND (2016)

This year's School musical production, "Whistle Down the Wind" has just finished its five spectacular performances to emotional audiences. As well as applause this year, the end of the show has brought a lot of the audience to tears with its moving finale.

A big thank you to everyone who supported the show in any way, they all helped to make it the success that it was, as well as the cast,

students were also involved backstage and in the orchestra.

There was an amazing cast that have performed emotive scenes.

We received fantastic feedback from the audience :

*“simply superb. The level of skill and talent on show was amazing, it wasn't a school production it was a production fit to be staged on any theatre in the country “*

*“The show had me in tears on three separate occasions. “*
