

HIGH SCHOOL MUSICAL 2017

In March 2017, Coppice Performing Arts School produced 'Disney's High School Musical'.

The Production Team consisted of: Mr Cooper-Richards as Director, Mrs Lacey as Musical Director, and Ms Sterran as Choreographer. The new team worked with 50+ students from Years 7-13, with students taking both on and off stage roles. The production was a huge success and has received extremely positive feedback. This production also saw the return of a matinee performance to local primary schools, promoting the high standards of the arts subjects to next year's Year 7 intake at Coppice.
