What does Coppice Sixth Form mean to you?

Coppice Sixth Form has provided me with many excellent opportunities; it has been an exceptional stepping stone for me into my next step to University. It has given me to have the chance to study the A Levels that are perfect for me as an individual and allowed me to open my mind to the new possibilities that the subjects have to offer. Not only has Coppice Sixth form given me the chance to find myself but it has also resulted in the discovery of my future aspirations.

Give examples to how Coppice Sixth Form has helped you

Coppice Sixth Form has helped me in various different ways. It has enabled me to have the privilege of exploring a range many different subjects, giving me the chance to find myself within the studying world. This opportunity has enabled me to discover the course I would like to study at University. Coppice Sixth Form has also helped me in excelling and improving within every subject in the best way possible in order to get the best grades I can at the end of the year.

Would you recommend Coppice Sixth Form to others and why?

I would definitely recommend Coppice Sixth Form to others as I believe that the school has an excellent board of teachers which have a passion in their student's education and that it ensures that the students come first above everything else. The school also offers different types of courses for students. For example, A Level and BTEC.

Future Career Aspirations

When I leave Coppice Sixth from I would like to go to University to study English Language and Literature as I have become very passionate about the subject and am intrigued by what the course has to offer.
